

NEWS – 11/04/2023 – Lisco Belgium's new offices

From 10 April 2023, Lisco bv can be found at a new location along the "Vaart" or canal Leuven - Mechelen in the business park "Delta". The offices have a view over the canal and the fields of Herent on the other side. Located near exit 20 "Witsele" on the E314 motorway, our offices are now much more accessible for hauliers, customers and suppliers.

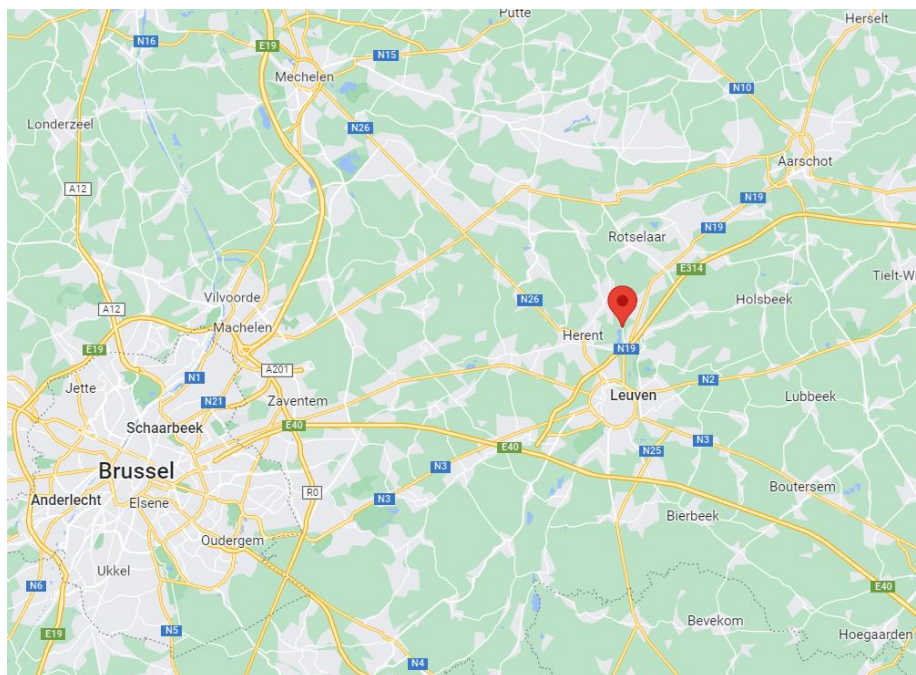

In addition, the new location offers more space for storage and for the workshop, and we have the opportunity to develop new activities. There is also more parking space for our staff and customers.

We are very much looking forward to further optimising our services in Belgium and France. We hope that our customers and suppliers are as excited about the move as we are and we look forward to welcoming you to our new, beautiful location along the "Vaart".

New address offices and warehouses :

Lisco bv
Wijmaalsesteenweg 98
3012 Witsele

Please note our registered office remains in Keerbergen.
